Dear Sir:

The Assignee of the above-identified patent application is a small entity, and small entity status is entitled to be asserted for the application. Applicants note that the fees paid in association with the Amendment and Response filed on August 3, 2007, were paid at the small entity rate. Although this statement is filed subsequent to those fees, a refund of the excess amount had those fees been paid at the normal rate would be permitted by 37 C.F.R. §1.28 (a). Accordingly, it is submitted that no fees are presently due in connection with this application. However, if this is incorrect, please charge any deficiency to Deposit Account Number 19-1970.

Application No.: 10/767,548

Respectfully submitted,

SHERIDAN ROSS P.C.
